GENERAL INFORMATION

All volunteer shifts are filled on a first-come basis in our online registration system. When you register for a volunteer shift, please mark your calendar. Once you sign up, we close that shift to other

potential volunteers. If your plans change and you find you cannot work your shift, please notify us ASAP or cancel your shift prior to the drop off date. **IF YOU FAIL TO SHOW UP FOR YOUR SCHEDULED TIME AND DO NOT OFFER AT LEAST 48 HOURS NOTICE OR A REPLACEMENT VOLUNTEER YOU WILL BE CHARGED A \$25 NO-SHOW FEE.** This fee will be deducted from your consignment earnings. We are counting on you to be there, so please be confident that you can work before signing up.

A complete shift is 4 hours long.

Please be on time (or even better, arrive early!) for the shift you are working. Volunteers help with set-up, check in, assisting shoppers, keeping racks and tables organized, customer check out, bagging, the set up and take-down process.

Due to the tasks that you may be doing and the amount of shoppers at any given time, volunteers may NOT bring children to their work shift.

On your volunteer day, wear comfortable clothing and shoes. You will be on your feet most of your work shift.

All volunteers must check in and out of their shift. Checking in and out allows us to keep track of hours worked.

Consignors completing one 4 hour shift will have their consignor earnings increased to 80%!

Non-consignors completing one 4 hour shift will receive a pass to the Wednesday presale for the next seasons sale.

There will be food, snacks and drinks provided for all volunteers.
